# The 7 Elements of Art - Shape

A short guide to the  
basic elements of  
works of art.

NAJRA . ART

# Shape as a guide for Art

This PDF is designed for your artistic practice. Throughout its pages, you'll find photos and graphics to use as reference material. They will help you grasp the role of shapes in art – their significance, their visual impact, and how simplifying forms can be a great starting point for drawing. Feel free to print the PDF or work with it digitally.
